

This Firm Means Business (SM)

Dear Subscriber,

### Are you ready for EAMS?

Monday, November 17, 2008 the new Division of Workers' Compensation - Court Administrator Regulations, Disability Evaluation Unit (DEU) and Retraining and Return to Work Unit (RRTW) Regulations will become effective for Optical Character Recognition (OCR).

### What is EAMS?

EAMS is a computer based system created to improve the Division of Workers' Compensation Case Management. The system allows information to be shared among multiple users at different access points and levels. This will streamline the process of creating files, setting up hearings, and serving orders, decisions and awards.
